

Centennial Project How 2 Guide

TITLE: RECYCLING SPECTACLES

Centennial Project Area if applicable: Sight

Synopsis of Project:

Collection and recycling of spectacles. As Lions we wish to improve the sight and life chances of people by collecting and recycling glasses.

How 2 Guide:

As Lions we wish to improve the sight and life chances of people by collecting and recycling glasses.

1 Some suggestions of where to collect glasses:

- Opticians
- Charity Shops
- Schools
- Undertakers
- Recycling Centres (e.g. Keir Recycling)
- Hospitals- Identify where to place collection boxes and agree this with manager. (See suggested list).

2 Place spectacle boxes (swing bins are good) labelled with:

- Recycling Spectacles, your Club name and contact details (including email, website and telephone number).
- Leave your contact details for the participant to liaise with you for collections and/or agree to collect and empty the bins on a regular basis.

- 3 Once collected, send the glasses to Chichester Club via the method below.
 - Chichester prefer not to receive the cases just the spectacles and sunglasses.
 - Parcel Force collect FREE OF CHARGE and deliver to Chichester Lions collection point.
 - Pack spectacles into large boxes.
 - Enclose slip with your name and address
 - Label boxes 'Articles for the Blind'
 - Send to Lions Club of Chichester (See details below)
 - Ring on 0344800 4466 (Parcel Force Collection Centre)
 - Quote contact number R233259
 - Ask Parcel Force to collect boxes for delivery

- 4 Ensure your Club Secretary records the date and how many spectacles were sent every month on MyLCI.
