Dear Fellow Lions,

Support for the English Federation of Disability Sports (EFDS)

It is important that disabled athletes have equal access to all sports as other athletes.

English Federation of Disability Sport

Making **active lives** possible

English Federation of Disability Sports, EFDS (www.efds.co.uk), are a national body which has the vision that disabled people are active in sporting and physical activities so they can achieve their full potential.

EFDS run Regional Games and hold their Annual National Junior Championship Games the first weekend in July at Warwick University. At these events disabled athletes participate in a variety of track and field sports. A 13 year old disabled cyclist, who participated in the 2017 National Junior Championship Games, said *"I see myself as differently able because I do things differently to able bodied people but I am not disabled."*

For this valuable work to continue can your Club help EFDS by making a donation. Make your cheque payable to **Lions Clubs International** and endorse **EFDS** on the reverse of the cheque. Then this can either be sent to your District Treasurer or directly to the MD Charity Treasurer, **Lion Tom Berry**. His address is at the bottom of this letter.

Alternatively you can make an online BACS payment to the MD Charity Account. Please use the following bank details - **Barclays Bank 20-17-92, Account Number 73770907, Reference 036**. Then please advise Lion Tom Berry by email: charity@lionsclubs.co of the name of the Club and the amount donated electronically.

Thank you in anticipation for your donation.

Yours in Lionism
