06 December 2017

Dear John

Just a note to say thank you, and you fellow members for your kind donation of a number of Household provisions for our guests. These will make a vast difference for all of our guests, who, at lot of the time, turn up with just, basic essentials, these items, will not only save them considerable funds, but save them time, allowing them to spend more time with loved ones.

Fisher House, is located close to QEHB, and is a haven for Service Families, the house enables them to spend time together, as their loved ones undergo treatment, following serious injury, or illness. This time together, enables them to plan, in a relaxed environment and to come to terms, very often, with difficult choices.

It is very reassuring not only to us, but to our guests that in these current climates, and also at a point in their lives when they sometimes feel nothing is going right for them, that there are people, and organisations, such as yourselves, who are willing to donate such items, to enable us to deliver a much needed service, please pass on our thanks to all of your friends and colleagues.

We look forward to fostering our relationship in the future.

P.S If you or your fellow members, would like to visit our premises, please feel free to contact myself and we can arrange a suitable time for yourselves.

Yours sincerely

Patrick Hogan  
Manager Fisher House UK
