

Hong

Hong is a Lions champion of local community volunteering. She enjoys volunteering to make a better community with members of Witney Lions spanning in age from 24 to 90 years old.

“ *Being part of Lions, more can be achieved than on my own, and by having more members, we could do much more. Finding a few hours a month makes a real difference, whilst making friendships, learning new skills, and having lots of fun is hugely satisfying.* ”
