

# Lorraine

Lorraine is a Lions champion of local community volunteering. She's always helped others and getting involved from the school PTA to supporting local projects. Recognised with a 'Coronation Award', Lorraine is an enthusiastic member of Budleigh Salterton Lions

“Lions are constantly evolving and it's great to be part of something that makes such a difference to so many people locally, nationally and internationally. You can help in a small way or share an idea to work together and make it happen.”

BE PART  
OF SOMETHING
