All Christmas cards are 141 x 141 mm

Lions Clubs International British Isles is committed to raising £1,000,000 over four years to help fund sustainable research at the UK Centres of Excellence established by the charity Brain Tumour Research.

This game-changing partnership will have a lasting legacy through the naming of a special Lions Clubs laboratory within one of the charity's dedicated Research Centres. The Lions' fundraising efforts across the UK will be also given recognition on Brain Tumour Research's Walls of Hope in support of all of those within the Lions and the wider community who've been affected by this devastating disease.

100% of profits from the Christmas cards, and any additional donations via this form, contribute towards the £1 million commitment to Brain Tumour Research made by Lions Clubs International British Isles (MD105).
